

Thank you for your donation of 32 skateboards, Lexis Nexis!

"Thanks to the generous donations of skateboards, our community has experienced a positive transformation. These skateboards aren't just pieces of wood and wheels; they're instruments of joy, empowerment, and connection. They've given our youth a sense of belonging, a healthy outlet for energy, and a platform for self-expression. With each kickflip and ollie, our young skaters are not only honing their skills but also building resilience, confidence, and camaraderie. The impact of these donations extends far beyond the skatepark; they're shaping the future of our community one trick at a time. We are profoundly grateful for the support that has allowed us to provide such a meaningful opportunity to our youth."

"You've truly made a difference in my child's life with your skateboard donation. Your generosity has brought immense joy and excitement to her, opening a world of possibilities and adventures. Your gift has sparked a passion and provided hours of fun and healthy activity. Thank you for investing into her happiness and helping them discover the thrill of skateboarding. Your kindness will be remembered and cherished for years to come."
